Digital Safari Camping Trip Suggested Gear List

Campers,

When camping it is important to plan for a variety of weather. While we expect the temperatures to reach the mid to upper 60’s during the day, they may reach into the 40’s during the night and rain is always a possibility. The following gear list is designed to make you as comfortable as possible. Please follow it closely when planning and packing for the trip. If you have any questions please contact Randy (682-4030 ext. 3417 or randy@digitalsafari.org).
